The Vision of Future

Bangladesh 2.0 aims to redefine the nation's trajectory by embracing cutting-edge technology, promoting inclusive growth, and ensuring sustainability. With initiatives in renewable energy, digital transformation, and robust infrastructure, the country is set to become a global model of development.

Digital Transformation

Creating a nationwide digital ecosystem to enhance connectivity and access to services for all citizens.

“Bangladesh's new Chief Advisor assumes a pivotal role during critical political transitions. Their impartial leadership is essential for ensuring stability, addressing national challenges, and fostering political dialogue. Committed to democratic principles, they must build trust among stakeholders and uphold the constitution. Economic recovery, social unity, and effective reforms demand sound judgment. Amid scrutiny, their vision, inclusivity, and decisive action will shape the nation's future, safeguarding public interests and securing a path toward progress and prosperity.”

Dr. Muhammad Yunus
Chief Adviser of the People's Republic of Bangladesh
